## Tutorials

We have developed various tutorials over the years. We will continue to do so. Click on any of the available tutorials. I hope that they help you.

- **[Using Picasa Web Album to Share Photos](#)**<sup>[1]</sup>

How to create a Picasa Web Album account to to upload, organize, and share your photos. This is a 4 part series.

- **[Setting up a Yahoo! Groups Account](#)** <sup>[2]</sup>

Set up your account to access a Yahoo! Group. This is a 5 part series.

- **[Help with Windows Explorer](#)**<sup>[3]</sup>

Although these tutorial refer to Windows Explorer for Windows98 and WindowsXP, much of the material will help you with file management in later Windows versions, such as Window Vista and Windows7.
